WE'RE HIRING

IASSC Lean 6 Sigma Trainer

Teach Lean Sigma Green & Yellow Belts to IASSAC standard. Coach/mentor learners. Provide learners with technical and subject matter expertise and initiate activities that will facilitate learning using Moodle platform. Use bulletin boards and discussion forums for communication with and between learners. Ensure that learners are 'exam ready' before they undertake assessments leading to certification. Provide learners with specific, timely feedback on their performance in formative assessments. Plan for and participate in development activities that will continue to improve subject matter, pedagogical and technical expertise.

Requirements:

The trainer will be responsible for delivering Lean 6 Sigma Training programmes and assisting learners to achieve certification.

- Hold a valid* IASSC Black Belt Certificate and an exam score greater than 600 (or 80%)
- Training – classroom, blended and eLearning (Moodle)
- Pedagogical Qualification such as BA Ed, Train the Trainer QQI L6
- Engineering and/Manufacturing experience
- Be a highly effective communicator
