Are You Ready to Advance your Career in Accountancy?

Our Accountancy Bootcamp is delivered over 13 weeks through a flexible combination of live practical, theory and online delivery sessions totalling no more than 5 hours a week. We do however recommend you spend some additional study time to truly enhance your accountancy skills. Our Accountancy Skills Bootcamp focuses on Sage accounting software, a leading tool in the industry, and provides hands-on experience with real-world accounting tasks

If you're looking to upskill then our Accountancy Skills Bootcamp allows you to enhance your job prospects, develop your skills, strengthen your C.V and gain a valuable learning experience, opening the door to promising career prospects, and lifelong skills development.

Engage in ongoing activities that mirror the daily tasks of an accountant, giving you real-world experience. Build a portfolio of completed accounting tasks, reports, and reconciliations that will demonstrate your skills and capabilities to potential employers.

This programme is designed for your career progression:

GUARANTEED JOB INTERVIEWS

Secure opportunities for roles like Accounts Assistant, Junior Accountant, or Finance Administrator, with positions ringfenced for participants.

SUPPORT FOR EMPLOYED LEARNERS

Employed learners can upskill and advance within their current organisations through employer co-funding.

FURTHER OPPORTUNITIES:

Progress into higher qualifications or apprenticeships.

POST-COMPLETION SUPPORT

Including in-work support, to ensure long-term success.

SKILLS FOR LIFE

Funded by

Department
for Education

FAQs

CAN I GET A CERTIFICATE FOR THIS COURSE?

Yes. Learners have the opportunity to complete Sage Accounting certificates during the course, and all learners who successfully complete the Bootcamp will receive a Cenit College completion certificate and digital achievement badges.

Alongside this, the programme develops practical digital accounting skills using Sage and Excel across bookkeeping, reconciliations and financial reporting. We also provide guidance on next steps, including further Sage qualifications and progression routes into professional accountancy study.

HOW MUCH TIME SHOULD I SPEND ON THE COURSE EACH WEEK?

This is a 13-week course with a weekly live session that you must attend. We strongly recommend you spend additional time reading the provided resources and completing the set weekly tasks. This includes replaying the video lectures, undertaking the learning activities, and reading any relevant resources. All elements of the course are open and available for 6 months after you have finished the course for you to go back and revisit.

WHAT IF I HAVE A PROBLEM WITH THE COURSE?

If you have any problems, the first place you should email is at bootcamp@cenitcollege.co.uk and we will arrange a one-to-one appointment with you to discuss your concerns
